Re: *In the Matter of the Rehabilitation of Segregated Account of Ambac Assurance Corporation, Case No. 10 CV 1576 (Dane County Circuit Court)*

Rehabilitator's Motion to Approve Settlement with One State Street, LLC

Dear Judge Johnston:

On March 3, 2011, we filed, served and posted on the website a Notice of Hearing, Motion for Approval and proposed form of Order regarding the Rehabilitator's Motion to Approve Settlement with One State Street, LLC. The Notice referenced the hearing set by the Court for this Thursday, March 24, 2011, at 9:00 a.m. The Notice also specified that any objections to the motion needed to be filed and served by no later than last Friday, March 18, 2011, and indicated that:

If no objections are timely filed and served, the Rehabilitator also reserves the right to ask the Court to cancel the hearing and enter the proposed form of order granting the Rehabilitator's motion for approval.

*For your convenience, we have enclosed another copy of that Notice of Hearing and proposed form of Order.

No objection has been filed or served, and no party has contacted the Rehabilitator's undersigned counsel to request any extension of the deadline or to indicate any intention to object or to attend the hearing. Accordingly, I am writing to request that the Court cancel the hearing and enter the proposed form of Order granting the Rehabilitator's motion for approval of the settlement. If that approach is acceptable to the Court, please have one of your clerks fax back a signed copy of the Order and we will immediately serve notice to all parties of record that the hearing is canceled and post that notice on the website. Of course, if the Court has any questions about the motion of its own or for any other reason wishes for the hearing to remain on the calendar, please have your clerk so advise the undersigned so we can so inform all other parties.
